Every year as Christmas approaches, I get so excited about this catalog. Why? Because I have seen firsthand the impact these simple gifts make to a family stuck in poverty—and I have seen the hope ignited in recipients as they hear about the loving God who is meeting their needs.

When a struggling family in Asia receives a cow or another income-generating gift, they are given a way to fight their poverty. Gifts such as water filters and toilets protect families from diseases, giving them the health they need to thrive. Other gifts such as bicycles and LCD projectors equip national workers to minister effectively. And no matter what shape the gift takes, each one helps show families that God Almighty sees them and loves them.

Of the many ways GFA has served the people of Asia over the past 40 years, I believe this catalog is one of the most significant—and it wouldn’t be possible without people like you. Last year, 241,732 families received gifts because of ministry partners around the world. It warms my heart to hear of families and churches gathering together to choose which gifts to provide for families in Asia in honor of Christ’s birth.

As you consider how to celebrate Christmas, I encourage you to join us in helping more families in Asia find hope in the Lord. May God bless you and fill you with His joy this special season!

Yours for the people of Asia,

Dr. K.P. Yohannan
Founder and Director
One Cow Changes a Family’s Future

When Tavish led his new cow home from the GFA-supported Christmas gift distribution, confidence and hope came home with him, too. With this new source of income, he would finally be able to properly care for his wife and children! His children would go to school instead of working in the fields, and his family would stay in one place instead of migrating to find labor jobs.

Soon, Tavish’s cow gave birth to a calf and began producing milk. The income Tavish gained by selling milk made a significant impact to the family budget—and it was just the beginning.

When his new calf was old enough, he sold the mother cow and bought a pair of goats with his profits. The goats multiplied quickly, and after a few months, Tavish sold two baby goats—making in one sale what used to take his entire family four months of hard labor to earn.

“I would like to thank those who have helped me get the cow as a gift,” Tavish says. “My life has definitely been blessed 100 percent.”

Now, the gift that started out as just one cow takes the shape of a growing calf, five goats, school supplies, daily food and a glorious ray of hope in Tavish’s heart. In addition, he eagerly awaits when his other baby goats are old enough that he can give one to another needy family.

The future of Tavish’s family has been transformed through the simple gift of a cow, and soon they will be sharing their increase with another family in need. By purchasing gifts in this catalog, you can help meet critical needs and demonstrate God’s love to more people like Tavish!

GFA Is Effectively Transforming Communities Through God’s Love by:

- Equipping thousands of national workers
- Educating more than 70,000 children
- Freeing families from cycles of poverty
- Saving lives through clean water and medical care
- Uniting the Body of Christ in prayer

The gifts in this catalog are just some of many ways we are doing this!
A sheep’s rich milk is an excellent source of calcium—an essential nutrient for young children—and makes delicious cheese. Income from selling milk or offspring can provide education, food, medical care or a multitude of other valuable needs for families. And healthier, stronger families mean healthier, stronger communities!

Goats can rapidly improve a family’s financial situation. In the case of one father, one pair of goats enabled him to start a goat farm with more than 75 goats to milk or sell. He built a house for his family and sent his children to school, offering them a better future than his parents were able to offer him when he was a child.

**Goats** — 1504  $140 per pair

"My 8-year-old nephew Benjamin has been waiting for the last few weeks for your Christmas Gift Catalog to come in the mail. He asks me nearly every day if it has come yet w... After writing his list and handing over the money, he said that his joy was ‘too much!’" — Cherilyn from Canada
These portly critters bring powerful financial breakthroughs to needy families. Piglets fetch a good price in market, which enables families to buy whatever they need, and adult pigs provide ample meat for selling or eating.

**Pigs —** $65 per pair

“As I was very poor before, I used to worry a lot. … But now, since I have [these piglets,] all the worries and everything has been taken away. … After getting these piglets, I really have seen the works of prayer and what faith can really do. My faith is growing day by day.” —Mahavir, a father of three who can now feed and clothe his family
Cheap Gift, Big Impact!

The gift of chickens supplements a family’s income and often helps a family get on its feet financially. Hungry families can eat or sell the nutritious eggs, or they can hatch chicks to increase their flock and later have more eggs and chicks to sell.

Chickens –1501 $11 per pair

“There is no one to take care of me at this old age. I am worried, thinking, ‘What will happen if I die and no one will even know about it?’ Today, I saw your care, and I am happy for the chicken you gave me.” —Pari, a 65-year-old widow
Plow a Field, Haul a Cart, Give Some Milk, Make Some Fuel

Cows and the milk they produce help families grow stronger, healthier and more financially secure. As a poor widow, Jamini could not offer her son Tavish (see story on page 3) a bright future. When her son grew up and married, her worry grew to include her grandchildren’s futures—until Tavish received a cow at a gift distribution.

“After having received the gift, we are really blessed. We have some income in our family. We have hope, we have a purpose in life and really are so blessed and so happy, just unlike what we thought our future would be.” — Jamini, whose son Tavish received a cow

Cow — 1506 $375

“And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him.” — Colossians 3:17
Water buffalo are powerful animals often used to plow fields. They produce milk for drinking or selling, and their dung can be used as fuel for cooking. A water buffalo will greatly improve a family’s financial situation!

“I just love how animals can help sustain a family with food and income. What a blessing it is to serve in this way.” —Hope from Tennessee
Hope on Wheels

Bicycles save national workers time, energy and transportation expenses, dramatically increasing their productivity and consistency in ministry. These sturdy, Asian-made bicycles enable national workers to respond quickly to people asking for prayer and to carry the news of Christ farther and faster.

**Bicycle — $110**

“Sometimes I was not able to reach my destination traveling by bus, as the road was broken on the way. I had to return back. But with the bicycle, I am able to cross any such hurdles and reach my destination.” —Pastor Dhiraj

**Motorcycle — $1,200**

Give a Portion: $120

A motorcycle enables a pastor to serve distant fellowships, giving people the leadership, counsel and prayer they need to grow in the grace and knowledge of the Lord Jesus Christ.

“For the oppression of the poor, for the sighing of the needy, now I will arise,” says the Lord; “I will set him in the safety for which he yearns.” —Psalm 12:5
O’er the Fields We Go

A heavy-duty vehicle carries a team of national missionaries to remote villages much faster and safer than if they had to walk. Because of the vehicle, these missionaries are able to share about the love and sacrifice of Christ with people who may not otherwise get a chance to hear about Him. In addition to transporting the team, the vehicle also carries heavy equipment essential for ministry, which often includes a generator, a film projector and a sound system. Through the gift of a heavy-duty vehicle, people across Asia will get to celebrate Christ!

Heavy-duty Vehicle —1013

$17,000
Give a Portion: $170

Give life-changing gifts by mailing the enclosed form, calling 1-800-946-2742, or visiting gfa.org/gift
LCD projector kits enable film teams to share life-changing movies with countless villagers. Film teams can arrange double features, showing Asian-language films on the life of Jesus in conjunction with films on topics such as the dangers of alcohol or drugs. LCD projector kits help bring hope and the truth of God’s love to many different villages year after year.

**LCD Projector Kit** — 1202

$1,750

Give a Portion: $175

How do you show a movie about God if you’re in a village that doesn’t have electricity? You bring a generator! This important gift allows film teams to invest in the eternities of thousands of men and women across Asia.

**Generator** — 1210

$1,800

Give a Portion: $180

“After watching [this film about Jesus], I realized that Jesus is alive. He is the real God ... Today, I feel so happy that I could watch the Jesus film. I want to believe in this Jesus.”

—Viraj, a young man who watched a film about Christ
For many people in Asia, a piece of Gospel literature is the first step in their journey of knowing Jesus. Oftentimes, Gospel literature will be read aloud to others who are illiterate or passed on to someone else who will read it and pass it on to yet another person.

**Gospel Tracts — 1100**
- 200 tracts - $1
- 1,000 tracts - $5
- 10,000 tracts - $50
- 1,000,000 tracts - $5,000
A church building is one of the most powerful ministry tools for a congregation in Asia, but many believers are too poor to build permanent structures.

A place of worship:

- **Facilitates** discipleship opportunities
- **Provides** a consistent, welcoming location for new people who want to learn about Jesus
- **Frees** believers to worship openly and exuberantly without worrying about disturbing their landlords or neighbors
- **Protects** believers from intense summer heat and rain
- **Provides** a haven from the ridicule of those who oppose worship gatherings
- **Encourages** a sense of the congregation’s permanency, credibility and stability among the local community

**Church Building — $10,000–$40,000**

Give a Portion: $400

Jason and Melanie, GFA supporters, decided to give sacrificially to provide a church building for a needy fellowship. Later, they got to see firsthand the impact of their gift and even worshiped inside the building with the congregation in Asia they blessed! Watch their video: gfa.org/impact.
Can you imagine how many lives can be touched through the ministry of 100 national missionaries in Asia? Each missionary is usually impacting multiple communities. But these brothers and sisters can’t do it alone. They need people supporting them behind the scenes. At GFA, we call this the Mission Support Team.

The Mission Support Team comprises dedicated behind-the-scenes missionaries who raise their own support and live simply. Serving in graphic design, IT, grounds maintenance and many other areas of GFA’s administrative office, they promote awareness, provide support and engage in prayer for the ministry in Asia. Each one represents, on average, more than 100 national workers.

By sponsoring a behind-the-scenes missionary or family, you will help cover their living expenses—and you’ll be investing in the lives of the national workers they serve.

**Behind-the-Scenes Missionary Sponsorship**

- **$50 monthly**
- **$600 annually**

“God has called us to share His love with Asia, and GFA is the bridge that allows us to do that. We are spurred on by being part of this amazing staff family who have such a love for God, for Asia and for each other.”

—Rob and Rebecca, GFA behind-the-scenes missionaries
‘I Bring You Good Tidings of Great Joy’

Today, national workers like Pastor Nateshwar are bringing words of life and hope to people in places where Christ’s love has never been shared.

National workers:
- Understand the communities they serve and relate with them culturally
- Live sacrificially so others can find the grace and new life Jesus offers
- Fill an integral role in distributing Christmas gifts
- Freely offer prayer and counsel to gift recipients and everyone in their communities

By giving toward GFA’s National Missionary Program, you’ll equip them to serve full time by covering their living and ministry expenses—resulting in lives transformed for eternity.

“If I can help the poor and needy, I will encourage them. If I am able to [help] them in some extent, I will do it. That is because of the love of Jesus. I know Jesus loves them, so I love them.”
—Pastor Nateshwar, GFA-supported worker

*For every $30 monthly or $360 annual pledge toward GFA’s National Missionary Program, you’ll receive the photo and personal information of a missionary whom you can specifically pray for, along with periodic ministry updates and prayer requests from the area they’re serving in so you can stay engaged with their ministry.
Give Hope and a Future to a Child in Desperate Need

Like so many other children who grow up in poverty on tea estates, Talat had little chance of getting a quality education. But the odds against Talat were stacked even higher because his father had passed away. His mother labored as a domestic worker but couldn’t afford to feed Talat and his siblings three meals a day.

When a Bridge of Hope center opened up on the tea estate where they live, Talat got the life-changing opportunity to receive an education, a nutritious meal each day at the center, school supplies and even a mosquito net. Now Talat is learning many things through Bridge of Hope, and he has discovered a talent for drawing.

Child Sponsorship*—3500

$35 monthly
$420 annually

*For every $35 monthly or $420 annual pledge to GFA’s Bridge of Hope Program, you’ll receive the photo and personal information of a child. By praying for and writing to your sponsored child, you have the opportunity to personally connect with and invest in your sponsored child.
Harsh winters force many people indoors, hindering villagers from finding jobs and limiting pastors’ ability to minister. Winter clothing packets help GFA-supported workers stay healthy and able to minister during cold seasons, and they also demonstrate Christ’s love in very practical ways to mountain villagers or to the homeless.

Depending on the region, a winter clothing packet may include:

- A blanket
- A jacket
- A sweater
- Other warm items

Winter Clothing Packet — $40

“These days, cold is increasing rapidly. I received warm clothes at the right time. … I am sure [the clothes] will keep my body warm. I am thankful … for the love that is shown to me.”

—Sister Pushpa, a national missionary

“He answered and said to them, ‘He who has two tunics, let him give to him who has none; and he who has food, let him do likewise.’” —Luke 3:11
Man Does Not Live by Bread Alone

Many believers in Asia are first-generation believers who grew up knowing nothing of God’s ways, and they’re hungry for His Word. Your donation to GFA Bible Society gives people in Asia Bibles or New Testaments in their own languages, enabling them to grow in their knowledge of God and walk more closely with Him.

Bible Society —1102

At Vacation Bible School, children make crafts, hear Bible stories and learn cultural songs and dances, and on the last day of VBS, they share what they’ve learned by performing for their parents. The joy and truths they discover at VBS impact their families, too! Your gift enables VBS programs to continue touching lives.

Sewing machines mend broken lives. Romila could hardly believe her eyes when she received a sewing machine. Lack of education hindered her ability to help her husband provide for their family, but now, with her new income from sewing clothes, they can easily pay their rent and have plenty left over for additional expenses. The hopelessness and poverty that hung over Romila’s family lifted, and through this timely help, she and her husband realized God cared for them.

Sewing Machine — $100

“I was really longing for a machine. ... I have no words to express my feelings and thanks to the church. ... This gift not only helps me to earn a daily income, but also it brought us close to the Living God.”

— Romila, a sewing machine recipient and a sister in Christ
Pull carts enable families to carry their wares wherever potential customers gather. Pull cart recipients are able to grow their existing business or even start a new business!

**Pull Cart**  $120

Tool kits include items such as axes, shovels, saws, plows, sickles and crowbars. Having the right tools increases a farmer’s productivity so fields can yield more. This increases the farmer’s income and ability to provide food, clothing, shelter and a better life for their family.

**Tool Kit**  $80

“With the pull cart, I can travel around and sell onions and potatoes. Wherever I find a suitable place, I stand and sell. My earnings have also increased.” —Bhrithi, a 38-year-old widow who was tearful and speechless when she received her pull cart.
These functional vehicles can mean the world to the needy families who receive them. Instead of paying a high price to rent a rickshaw, rickshaw drivers can take home all their earnings to care for their families and send their children to school.

**Tin Roof** – 1534

$225

**Rickshaw** – 1525

$200

Roofs made of thatch are a common sight across Asia, but they don’t offer good protection from annual monsoon rains, which means families must spend precious resources repairing or replacing their possessions. These lightweight, sturdy tin roofs give needy families a safe, dry place to call home.

"We could see God’s love and God’s grace and mercy in our life through this Christmas gift. Because of this Christmas gift, my trust and faith in the Lord now is deeper." — Aasia, whose husband received tin sheets to fix their badly leaking roof
Give a Man a Fish and Feed Him for a Day. Give Him a Net and . . .

Thousands of people in Asia rely on fishing to feed their families. The people who receive these fishing nets can cast them upon the waters every day and sell the fish they catch in local markets.

Vocational training courses train people for occupations such as tailoring or candle making. The classes help people get better jobs so they can break out of the cycle of poverty and provide better lives for their families.

Jesus Wells provide fresh water year-round, protecting communities from waterborne illnesses and sparing women and children from spending hours searching for water sources. Access to a Jesus Well is freely offered to all, regardless of a person’s religious or social background; this communicates Christ’s acceptance of whom society deems “untouchable.” Pastors serving near Jesus Wells are also able to share about the Living Water written about on the well’s plaque. Providing safe water is a practical way to show communities how much God and His children care for all people!

Many people in Asia do not have clean water, and they battle waterborne illnesses as a result—or even succumb to death. Made with simple materials, BioSand water filters remove 98 percent of biological impurities, providing safe water for drinking and cooking for the family and the neighbors too! The clean water will improve health and hygiene and will give peace of mind—all of which are expressions of Christ’s care.

BioSand Water Filter —$30

“Now, no more struggle! Having a BioSand water filter was beyond our imagination.” —Erina, mother of three

“This is one of my most favorite things to do this time of the year! I can hardly wait to get to heaven to hear the stories of how clean water saved lives or a pair of chickens sustained a family or how a blanket kept someone warm for the winter.” —Denise from Iowa
When women learn to read, they can avoid harmful labor contracts, understand warning labels and avoid being cheated at the marketplace. GFA supports literacy classes that teach adult women how to read and write. After they graduate from these literacy classes, they’re also able to read God’s Word and can grow in their relationship with Him. The gift of literacy enables women to protect themselves and keep their families healthy while also equipping them to draw closer to God.

Women’s Literacy Fund — $25

Millions in Asia have no choice but to go to the bathroom out in the open, which poses many risks, especially for women and girls who venture into open fields under the cover of darkness. Private outdoor toilets spare families from disease found at communal waste grounds and protect the dignity of men and women.

Minister to Those Who Feel Invisible

In many areas of Asia, widows are an invisible part of society. They are commonly ignored, rejected and believed to be cursed and the cause of their husbands’ deaths. Their own upbringing leads them to believe those same things about themselves. Even women who have been abandoned by their husbands face the same sudden crisis as that of widows.

Millions of children in Asia also must fend for themselves either as orphans, runaways or sons and daughters abandoned by their parents. Alone and unprotected, widows and abandoned children face immense practical and emotional hardships. But the Body of Christ can offer support and hope. GFA’s Widows and Abandoned Children Fund provides food, shelter, income-generating gifts, dignity and God’s compassion to women and children in need.

Widows and Abandoned Children Fund  $75

“And the King will answer and say to them, ‘Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me.’ ” —Matthew 25:40
Gifts toward medical ministry provide free medical care and health education for people who are suffering and dying from treatable ailments. GFA-supported workers host medical camps in villages or Bridge of Hope centers and invite teams of nurses, doctors and other health care professionals to provide free medical care. One medical camp may serve 200 to 1,000 people. Through medical ministry, families that lack access to medication or have never been taught basic hygiene can receive life-saving treatment and health education, all in the name of the Great Physician, Jesus Christ.

**Medical Ministry**  — 2540  $375

Malaria is transmitted through the bite of an infected mosquito. Mosquito nets save lives and offer a restful night’s sleep, free from the sting of disease-laden mosquitoes.

**Mosquito Net** — 1531  $10

“We are five members in our home. We have one net, which is not enough for all of us, and also we sleep on the mud floor. The whole night I have to shoo off mosquitoes with clothes to save my little children from mosquito bites. But I am extremely happy to receive a mosquito net today.”  — Kalani, a mother whose family is now protected from mosquitoes at night.
Most families in Asia have little or no insulation or indoor heating. Those who sleep on the streets are even more exposed to the cold. Blankets provide comfort and protection and serve as tangible expressions of Christ’s love.

“As I was sitting in church this morning listening to a sermon from [the book of] James about being a ‘do-er’ of Christ and having compassion for people, my mind and heart went immediately to the GFA Christmas Gift Catalog. Christ has called us to be there for those who have less. That is truly what this giving is all about.” —Carla from Washington
“Even my grandchildren are finding such joy in going through this catalog and picking out things to help more families in Asia find hope in the Lord. I would encourage you, get your friends and family involved, and together, let’s celebrate Christ this Christmas.”
